

# PROJECT MANAGEMENT CHALLENGE 2006

## Third Annual NASA Project Management Conference

### BIOGRAPHY

**Ed Knox**  
***Director of Federal Sales***  
**C/S Solutions, Inc.**

Ed Knox has over 25 years of Earned Value Management (EVM) experience. At C/S Solutions, he has performed numerous duties including EVM and wInsight training, tool implementation, and help desk support. Ed has developed a number of courses and seminars including wInsight training, Risk+ training, and OMB 300 training. He is currently the director of Federal Sales at C/S Solutions, Inc.

Prior to working for C/S Solutions, Ed served 8 years in the U.S. Air Force at HANCOM AFB and Los Angeles AFB followed by 14 years with Tecolote Research, Inc. In the Air Force, Ed served as a cost and schedule analyst on numerous communications and satellite systems. While at Tecolote, he worked on many major satellite and booster programs including MILSATCOM and TITAN IV. Ed also served on the staff of the Acquisition Center of Excellence (ACE) at the National Reconnaissance Office (NRO) providing direct support to the NRO EVM focal point.

Ed is 1981 graduate of the United States Air Force Academy.
